

Malawi Housing Corporation

HOUSES FOR SALE

Malawi Housing Corporation has adopted a new technology called Robust Technology. Malawi Housing Corporation has houses for sale to be constructed using Robust Technology. Robust Technology has a number of advantages, some of which are as follows:

1. It is environmentally friendly
2. It is very fast
3. It is versatile

Malawi Housing Corporation intends to construct houses for sale using robust technology. The construction will be demand driven and the houses will be presold.

The selling prices of the houses range from K11,536,000.00 to K40,820,000.00.

The houses will be constructed in Blantyre, Lilongwe, Mzuzu and Zomba.

All those Malawian Citizens who want to purchase houses in this scheme are requested to send their application letters to the address indicated below:
